DEVELOPMENT SECRETARIAT

Administration Report of the Public Works Department for the year 1938-39.

READ—

Report on the working on the Public Works Department for the year 1938-39, received from the Chief Engineer, with his letter No. 11252, dated 4th March 1940.

ORDER No. G. 9957-69—G. M. 86-39-3, DATED BANGALORE, THE 30TH MAY 1940.

Recorded.

2. *Diwan Bahadur* N. N. Ayyangar, B.A., L.C.E., M.I.E. (Ind.), I.S.E., continued to hold the offices of Chief Engineer and Secretary to Government, Public

Works Department, throughout the year, but was relieved of the office of Secretary, Electrical Department, on the 25th November 1938, on which date Sir Harold Colam assumed charge of it.

3. *Grant and Outlay.*—The final grant for the year under all heads was Rs. 85,53,025 and the outlay Rs. 99,77,821 including the expenditure on contribution works and works undertaken on behalf of the District Boards. The expenditure thus exceeded the grant by Rs. 14,24,796 of which sum more than half—Rs. 7,84,892 was spent on communications. The aggregate grant from State Funds was Rs. 52,12,700 and the expenditure from the same Rs. 64,80,380, resulting in an excess expenditure of Rs. 11,67,680.

4. *Irrigation Works Charged to Revenue.*—The expenditure under this head amounted to Rs. 10,18,319, of which a sum of Rs. 7,17,069 was spent on major tanks, Rs. 1,26,469 on the restoration of minor tanks and Rs. 1,74,761 on channels. The construction of the reservoir across the river Shimsha at Marconahalli, Kunigal Taluk, made good progress. The bund, sluices, weir and the right and left bank channels of the Anjanapur Reservior, aggregating 27 miles in length, have all been completed and water was supplied to 6,455 acres. The construction of a new tank at Byramangala near Bidadi in Closepet Taluk, designed to irrigate an extent of 4,000 acres, has been sanctioned, and the work is expected to be completed in three years at an estimated cost of Rs. 9,38,700. In connection with the construction of the new tank across the Maralwadi stream, Kankanhalli Taluk, the protective works of the waste weir and the raising of the same to the sanctioned height were carried out and 2,000 acres were irrigated at the end of the year. Eight other important tank works were in progress.

5. Three major and 38 minor tanks were restored.

6. *Irrigation Cess Fund.*—The grant under this head was Rs. 3,76,954, the outlay being Rs. 4,10,307. The number of works in progress and the number completed were 933 and 479, respectively.

7. *Civil Works.*—The expenditure on buildings amounted to Rs. 10,48,573, out of which sums of Rs. 4,09,005, Rs. 1,85,444 and Rs. 1,72,466 were spent on buildings of the medical, the police and the revenue departments, respectively.

8. *Donations.*—A total sum of Rs. 1,35,390 was donated during the year by philanthropic gentlemen and bodies for the construction of public buildings such as hospitals and dispensaries.

9. *Communications.*—The expenditure on original works amounted to Rs. 4,55,272. Among the important road works that were in progress during the year were the opening out of the Hiriyur-Dharmapur Road in the Chitaldrug District, and the motor road up the Nandi Hill in the Kolar District.

In the aerodrome at Jakkur, the forming and levelling of the ground and the deviation of the electric power lines were completed and the construction of the buildings and the land markings were in progress.

10. The construction of a bridge over the Shimsha near Halagur, Malvalli Taluk, was completed. All the piers and one abutment of the girder bridge across the Vedavathi in the Chitaldrug District have been constructed and the left abutment founded. Decking was also completed except in the last span.

11. *Repairs.*—The expenditure incurred under this head was Rs. 18,70,551, of which a sum of Rs. 18,54,384 was spent on the maintenance and special repairs of State Fund Roads and a sum of Rs. 16,167 on repairs to bridges. A total length of 2,226 miles of State Fund Roads, of which 2,001 miles are metalled, was maintained.

12. *Chamarajasagar and Water Works, Thippagondanahalli.*—The outlay on the maintenance of the Chamarajasagar and the Water Works, old and new, was Rs. 1,37,864 and Rs. 4,25,991 respectively. The quantity of filtered water pumped into the combined Jewell Filters, Bangalore, was 2,133 (2,102) million gallons. The level of the reservoir above the mean sea level on the 30th June 1939, was 2,556′-7½″, the effective depth of water being 81′-7½″ representing a storage capacity of 2,163 million cubic feet. At the present rate of consumption of six million gallons per day, this storage is expected to last for three rainless years after allowing for evaporation and percolation. The average daily consumption of water during the year in the Bangalore City and the Civil and Military Station was 3·5

million gallons and 2·03 million gallons, respectively. The total number of service connections in the City was 10,327.

13. *Establishment.*—The total expenditure under this head amounted to Rs. 10,45,249. The proportion which the establishment charges bore to the total expenditure on works and repairs under all heads was 12·18 per cent (13·2 per cent).

C. E. NORONHA,
Secretary to Government,
Development Department.

Lays down the duties of Government Officers and Non-officials in connection with the Census of 1941.

ORDER No. G. 9980-10034—CENS. 34-39-2, DATED BANGALORE, THE 30TH MAY 1940.

It is hereby notified for general information that, in pursuance of the provisions contained in the Mysore Census Act, 1940, a General Census of the population of the Mysore State will be taken on the 1st March 1941.

2. The Census should be regarded as of paramount importance while it lasts. It will be the duty of all Government Officers and Non-officials, who have been, and who may hereafter be entrusted with the Census, to see that the rules and instructions issued by the Census Superintendent for the conduct and guidance of Census Officers in taking the Census are carried out promptly and with efficiency and accuracy as required by the said Act.

3. In order to secure the utmost efficiency and economy in Census work, Government direct that the services of officials of all departments connected with the Administration, other than Palace, Medical and Press, be made available for the purpose of the ensuing census, without prejudice to their duties, on the requisition of Deputy Commissioners of Districts, the Commissioner of the Bangalore City Municipality and the President of the Mysore City Municipality. In carrying out this important measure, Government also rely upon the willing co-operation of all classes in rendering service in enumeration work, wherever their help may be required to supplement the official establishments, and of all persons in furnishing correct information to be entered during enumeration.

4. Under Clause (3) of Section 2 of the said Act, the Government of His Highness the Maharaja are pleased to delegate to Deputy Commissioners of Districts, the Commissioner of the Bangalore City Municipality and the President of the Mysore City Municipality, the power of appointing Supervisors and Enumerators for Census Work, and to authorise the Sub-Division Officers, the Health Officers of the Bangalore and Mysore City Municipalities and the Vice-President of the Kolar Gold Field Sanitary Board, to sign the declarations in writing of the appointment of these Census Officers for the local areas under their respective charge under the general or special directions of the Deputy Commissioner of the District, the Commissioner of the Bangalore City Municipality and the President of the Mysore City Municipality and the President of the Kolar Gold Field Sanitary Board in this behalf, respectively.

5. Rules under Section 6 of the said Act relating to enumeration, including the standard questions which may be put by enumerators to the people to be enumerated, will be published in the *Mysore Gazette* for general information.

6. Under Section 11 of the said Act, Government are pleased to authorise the Deputy Commissioners of Districts, the Commissioner of the Bangalore City Municipality, the President of the Mysore City Municipality, and the President of the Kolar Gold Field Sanitary Board, to sanction prosecutions under the said Act and are further pleased to declare that such prosecutions shall be instituted before Magistrates of the first or second class.

By order,
C. E. NORONHA,
Secretary to Government,
Development Department.

Opening of an Itinerant Dispensary in Kadur District.

READ—

Government Order No. G. 9793-5—Med. 308-37-2, dated 23rd May 1940, sanctioning the opening of an itinerant dispensary at Karur, Sagar Taluk.

2. Letter No. G. C. 353-11, dated 6th May 1940, from the Senior Surgeon in Mysore, recommending, for reasons stated, that an itinerant dispensary be established in the Kadur District with effect from 1st June 1940.

ORDER No. G. 10104-5—MED. 320-39-2, DATED BANGALORE, THE 3RD JUNE 1940.

In pursuance of their policy of extending medical relief in the rural areas of the Malnad, Government have recently sanctioned the opening of an itinerant dispensary at Karur in the Shimoga District. It is now proposed to establish one also in the Kadur District, which is equally in need of such assistance. The scheme provides for the carrying of medical relief to the very doors of the people in a large number of villages.

2. Government are pleased to sanction the proposal of the Senior Surgeon as an experimental measure for a period of one year from 1st June 1940, with the scale of expenditure detailed in the appended statement. The Senior Surgeon will, in consultation with the Deputy Commissioner, select the place where the doctor will be stationed and the area within which he will carry on his work. The entire cost will be met by Government and provision will be made in the budget for 1940-41 to cover the initial expenditure of Rs. 1,380 and the recurring cost of Rs. 3,600 per year.

C. E. NORONHA,
Secretary to Government,
Development Department.
